COMMUNITY MEETING

Metrolink Taylor Yard Maintenance Facility Give your Input on Community Health Risk Assessment

WHEN: Tuesday, February 25, 2014
TIME: 6:00p.m. – 8:00p.m.
WHERE: Dorris Place Elementary Auditorium
2225 Dorris Place (enter off of Riverside Drive)
Los Angeles, CA 90031

Give Your Opinion!

The residents of Elysian Valley, Cypress Park and Glassell Park have been advocating to make Metrolink a better neighbor the past three years by reducing the noise and air pollution. In response, Metrolink has offered to conduct a Community Health Risk Assessment in the area to measure cancer and non-cancer risk associated with long term exposure to the pollutants created by the train engines.
